

# Opioid Pilot Supervision Guide

Offender Name:\_\_\_\_\_

DOC Number:\_\_\_\_\_

Referring Agent:\_\_\_\_\_

Opioid Pilot Agent:\_\_\_\_\_

Review program requirements (pamphlet) and sign the Vivitrol Consent For Treatment (DOC 3761A) and ATR Agreement if applicable (see attached) for all participants who volunteer as an ATR. The DOC 3761 will be completed by DAI Staff for all participants entering the Program from ERP. The expectation is that you work closely with the SW through the release planning process.

Sign Releases and Submit referral to Treatment Provider per area contract. Brown County Treatment Provider: OPTIONS Contact Kameko Hagen khagen@optionstx.com.

Sign Releases and Submit referral to Vivitrol Provider per contract for medical screening and injection. Brown County: Wisconsin Comprehensive Treatment Centers (Sarah Neerdaels): Complete Section A & B of the Patient Data Sheet and fax to (920)337-6741/PH (920)751-6740

Schedule first injection with Vivitrol Provider and arrange transportation

Supervision reminder: ENS-120 days, MAX-120 days, MED-120 days. Notify SK of any status changes. Remember that recovery is difficult and be prepared to work through relapses. Use EBRV in response to violations.

Document all injections and Treatment Contacts in COMPAS. A data sheet will be provided for entry into SharePoint. The data is needed to show our success and ensure future funding of the Pilot.

Contact Mike Meulemans or Michelle Timm with questions.
